Drivers needed to collect donations

Description

A charity shop in Saffron Walden needs drivers (with their own cars) to collect donated items from supporters, when they are unable to bring them into the shop themselves.

You will need to be physically fit and active for this role, in order to lift and carry donation bags in and out of your vehicle.

It will be your responsibility to ensure that you have a full, valid driving licence and that your vehicle is correctly insured for carrying out collections of donated items. (You will be helped to do this.) You will be reimbursed for the cost of using your vehicle at the HMRC rate (currently 45p per mile).

Typical tasks

- Collect stock/ donations from people's houses, local businesses or clothing banks and delivering them to the shop.
- Transfer stock between shops on a local level as needs require.
- Follow guidelines on Covid-safe collections and personal safety.
