## Help to run a pre-school

### Description

A Saffron Walden pre-school, which offers nursery education during school term times, needs a new member for its organising committee.

The duties are not onerous; members act and take decisions together but the day-to-day running of the pre-school is undertaken by a highly experienced manager and her team.

The committee normally meets once a term with an occasional extra meeting if there is specific business to attend to. Owing to Covid-19, meetings currently take place on line.

Enthusiasm is needed but background in a preschools is not necessary. Membership of the committee is subject to a satisfactory DBS check.
