## Support the re-opening of town and village centres

### Description

As lockdown is eased, Volunteer 'Town Centre Ambassadors' are needed to support the re-opening of town and village centres. Their role will be to:

- provide reassurance, advice and guidance to visitors to the town/village centres
- help manage the flow of visitors around the town / village centres
- promote community safety.

Ambassadors will liaise with PCSOs and shop keepers if required, and give feedback to Uttlesford District on matters of concern. They will be expected to adapt to changing circumstances and therefore the outline of duties may change from time to time.

Ambassadors will be provided with hi-visibility jackets and hand-held two way radios to assist them in carrying out their duties. They are *not* expected to take on a policing role or engage in any activity that could risk their own safety. The role is purely to offer advice and assistance to visitors and shop-keepers in the town/village centre, whilst maintaining social distancing measures at all times.
